Alexandria, VA 22313-1450

**RESPONSE TO**  
**OFFICE COMMUNICATION**

Sir:

This is in response to the Office Communication mailed 6 May 2011, a response to which is due 6 June 2011. This communication is timely filed.

In response to the Office Communication, we filed a Divisional patent application, Application No. 13/152,750, on 3 June 2011. We will pursue methods of treatment claims in this new Divisional application.

Applicants have not dedicated to the public or abandoned any subject matter. Applicants expressly reserve the right to pursue prosecution of any presently excluded subject matter or claim embodiments in one or more future continuation and/or divisional application(s).

The Commissioner is hereby authorized to charge any fees under 37 CFR §1.17 which may be required, or credit any overpayment, to Account No. 50-4409 in the name of Novartis.

Please feel free to contact the below signed person with any issues or questions.

Respectfully submitted,

Novartis Institutes for Biomedical Research, Inc.
